LED Neon Flex 230V Slim green 100cm

Flexible tube with Neon LEDs for decorative lighting

Art. No.: 50499803
GTIN: 4026397618655

Features:

- Slim design for space-saving applications
- LED Neon Flex creates the effect of conventional neon light
- DMX controller and simple controller with supply cable available as accessories
- No complicated installation, no fragile glass nature, no potential shock hazard, no high maintenance costs and no high power consumption
- Built of optimally protected LEDs in a full-plastic round tube which is extremely flexible and can be bent in any radius as small as 4 cm
- One roll contains 50 cutable pieces with 100 cm each
- Please specify the desired length when ordering
- Price per segment (100 cm)
- Cutting also possible directly on site
- You can order as many pieces of the given length as you like, up to a maximum total length of 100 m
- Cut it on the cutting mark, connect the power cord and endcap, and your new neon light effect is ready to use
