Description:

Weatherproof Bluetooth speaker with LED flame light effect

The romantic mood light with moving flame is ideally suited for use in your garden, terrace or balcony. The 96 built-in LEDs provide a pleasant, warm light.

The supplied ground stake makes installation very easy. A major benefit is the integrated Bluetooth speaker box with 5 watts of power and strong stereo sound, you can control with your smartphone, tablet and many other devices.

You can charge your Flamelight comfortable with a Micro-USB cable and it is ready for use again. The working time is 7-9 hours and up to 20 hours without the speaker function.

The plastic casing of the Flamelight is splash-proof (IP44).

Features:

- Romantic mood light with flickering flame
