Description:

Versatile multifunction transport cart for loads up to 150 kg

The ROADINGER Stage Donkey XL is the perfect companion for your audio systems, guitars, DJ equipment and much more. It is the ideal transport assistant for your stage, in the studio or at events.

The no-flat wheels are made of solid, shock-resistant material and the swivel front wheel is equipped with a brake for safe loading and unloading. The light steel construction with powder coating provides the necessary stability.

You can fold the Stage Donkey comfortable and easy for transport and storage.

The Stage Donkey can be used in a variety of ways, e.g. as a sack truck that can carry loads of up to 50 kg. For use as a transport trolley, the maximum load is 150 kg.

Features:

- Easily transformable into 8 different configurations
- For convenient transport of PA systems, guitars, DJ equipment and more
- No-flat wheels made of solid, shockproof material (Ø 10 cm and Ø 20 cm)
- Solid, light-weight and powder-coated design
- Easily foldable for convenient transport and storage
- Loading area (H x W x D): 67 x 63 - 105 x 31 cm
- Can also be used as hand truck (max. 50 kg)
- 2 castors with 2 locking brakes
- For application areas such as: Homerecording and studios; Wedding/gala/events; Stage
