Description:

Decorative cactus with side twigs made of high-quality plastic

What do you associate with a typical desert landscape? Cactuses?
Then the 6-armed artificial Mexican cactus from Europalms should not be missing in your decoration!
The decoration object has a total height of approx. 173 cm and is made of high-quality plastic. Especially the brown colouring of the older, small spines with their felt as well as the fresh light green of the tips have been realized true to detail.
Whether as a single plant or as a addition to an already existing arrangement: This cactus can be used in your wellness area, bistro, shop or at home.

Included in delivery is a basic gardener's pot covered with small stones, which gives the plant a stable stand when placed in a planter.
