

hazebase .com – the upper class of professional foggers, Made in Germany

hazebase produces all its devices in Germany and pays major attention to high quality. For their fog machines, they set a high value on reliability and robustness. From a thick fog effect to the perfect haze for your moving head lights and lasers, hazebase has a machine for the right emotion and atmosphere. From the smallest venue to the largest stadium and festival there is a hazebase hazer or fogger that meets your needs.

In addition to the great variety of hazebase machines, there are accessories like fluid distribution systems, flying racks, road cases, remote controls and many different fluid choices to create the perfect atmosphere.
