## MCS-1250 MK2 IR Emitter

IR remote emitter for MCS-1250 MK2

**Art. No.: 10452486**

GTIN: 4026397544428

### Features:

---

- Operate your audio/video equipment in other rooms with your existing remote control
  - The MCS-1250 MK2 wall controller picks up the signal from your remote control and the IR emitter sends the signal to the A/V component
  - Supports all standard A/V components (HDD recorder, set-top box, satellite decoder and stereo) with an infrared sensor
  - 3.5 mm jack plug for connecting the MCS-1250 MK2 amplifier
- Package contents
- 1 x transmitter
