

OMNITRONIC PB-48 Patchbay

Stereo patchbay for avoiding cable chaos

Art. No.: 10453040

GTIN: 4026397165487

The article is no longer in our assortment.

Features:

- Balanced multi-functional 48-point patchbay with 3 operating modes
- Provides professional and well-arranged cabling in your studio
- 24 channels on individually turnable plug-in cards, each with pairs of 6.3 mm jacks on the front and rear panel
- Individually selectable grounding option and operating modes:
- NORMAL interconnects the two rear jacks of a channel, inserting a plug into one of the front jacks interrupts the connection
- THRU interconnects each rear jack with its corresponding front jack
- HALF NORMAL interconnects the two rear jacks of a channel, inserting a plug into the lower front jack interrupts the connection
- Solid steel case
- Rack installation, 1 U
- (19") 48.3 cm rack installation
