

## **OMNITRONIC DMS-1050 MP3 workstation**

Tabletop CD-player

Art. No.: 10602425 GTIN: 4026397246308

# The article is no longer in our assortment.

### **Description:**

There are lots of workstations on the market that are constructed in the same way as the DMS-1050. But the DMS-1050 has one essential advantage in comparison with its colleagues: Scratching in realtime without delay and time limit is possible. The pitching-functions are also outstanding. You can play the CD up to 100 % faster or slower. All adjusted sample-parameters can be memorized and recalled from up to 500 CDs, which keeps the CD from jumping, even during an earthquake. Sounds not that bad, does it?

#### Logistic

EAN / GTIN: 4026397246308

Weight: 3,85 kg Length: 0.41 m Width: 0.33 m Heigth: 0.15 m

#### Features:

- For standard CDs 8 cm and 12 cm with conventional or MP3 format
- Scratch wheel for real turntable feeling
- Realtime scratch function without delay and time limit
- Sampler unit with 4 x 5 seconds sampler time
- All adjusted sample parameters can be memorized and recalled from up to 500 CDs
