Description:

Universal wall loudspeaker pair

With the wall speaker pair OD-2T from OMNITRONIC you will have an ideal speaker set for your sound system, for example for background music in restaurants, bars and shops or in your conference or recreation room.

The loudspeakers using 100 V technology are housed in a stable, impact and scratch resistant plastic housing. The stable mounting plate has a swivel and tilt joint, which allows you to mount the wall speakers on the wall or ceiling at any angle.

Features:

- 100 V PA speaker system for general applications
- 1-way system with 30 W power and 100 V transformer
- 6.5 cm full-range speaker (2.5")
- Scratch-resistant ABS plastic cabinet with metal grille
- Durable mounting plate with joint for panning and tilting allows ceiling or wall installation in most varying angles
- Spring clamps
- Packed as a pair
- Ideal for PA applications in restaurants, bars, shops or at conferences
- Suitable for outdoor use
