### Description:

Ideal for permanent installations

The DMP-202 Dual USB CD Player from Omnitronic is ideal for permanent installation in your restaurant, shop or gym. It is 1 U flat and allows you to play audio & MP3 CDs, as well as MP3 files from a USB storage device.

Prepared for everyday use in the hospitality industry:

If the housing of the CD player should get a bump, the 40 second anti-shock buffer ensures that your CD continues to play without errors.

The blue backlit LED display is easy to see even in darker rooms.

Additional functions:

The DMP-202 has additional functions which most players of this kind do not offer: Pitch control  $\pm 16\%$ , cue function, loop/reloop function, single or total title playback, random playback, repeat functions and title programming.
