2 x 8" low-profile installation subwoofer 2 x 150W AES, 2 x 8 ohms

Art. No.: 12604014

GTIN: 5060502923073

List price: on demand €

incl. 19% VAT.

Description:

The INTUCAB 8SM300T is a dual 8" compact installation subwoofer, allowing positioning below objects or on-wall in variable directions via an included mounting rail. The dual driver design in separate chambers provides fast transient response and excellent low-frequency performance. Drivers can be wired for separate left/right amplifier channels or in parallel for a mono amplifier setup (note: a separate crossover is required). The 8SM300T is an affordable yet powerful low-end extension to the frequency response of any installed sound system.

Logistic

EAN / GTIN: 5060502923073

Weight: 21,00 kg

Length: 0.68 m

Width: 0.53 m

Height: 0.35 m

Features:

- Low-profile installation subwoofer, only 270mm high
- 2 x 8" high-efficiency LF driver
