VM-2100 PRO Studio microphone

PRO condenser microphone for studio recording and live applications

Art. No.: 13030832

GTIN: 4026397298109

Features:

- Large-diaphragm microphone for high-quality studio and live applications
- Ultra-flexible through selectable polar pickup pattern: omnidirectional, cardioid, figure 8 and six intermediate stages
- Perfect for direct or overhead sound pick-up of acoustic and electric instruments and vocals
- Low-noise transformerless FET input eliminates low frequency distortion
- Well-balanced frequency range for natural sound
- Can handle high volumes without distortion
- Balanced XLR output
- Delivery incl. power supply unit, 10 m XLR cable, shockmount, windshield and robust hard-sided case
