

OMNITRONIC BeatRevel S

Mobile Bluetooth speaker system with built-in light effect

GTIN: 4026397590678

The article is no longer in our assortment.

Description:

The mobile BeatRevel S Bluetooth speaker system by Omnitronic brings the party to your home. The built-in disco ball projects colorful beat-synced light patterns onto walls and ceilings, while its powerful speaker fills the room with booming sound and dance club energy.

Stream music wirelessly from your iPhone, iPad or any Bluetooth device and charge them at the same time via the integrated powerbank. The AUX input connects any non-Bluetooth device and an additional input for microphones is available as well. The unit features a mixer function and is easy to transport.

Features:

- Compact, mobile Bluetooth speaker system with 50 watts peak power
- Built-in disco ball gets your party started
- Projects colorful light patterns onto walls and ceilings to the beat of the music
- Stream music wirelessly from any Bluetooth device
- Works with iPhone, iPad, iPod touch, Android, Kindle Fire HD, and many more
- 10-cm bass system for astonishing powerful party sound
- 6.3 mm jack input connecting microphones
- 3.5 mm AUX input connects any non-Bluetooth device
- USB charging port for your mobile devices
- Durable, lightweight design with built-in carrying handle
- Incl. power adapter
- Control via Bluetooth
- Operating range up to 10m
