

ROADINGER Plastic-Rack KR-19, 6U, DD, black

Flightcase for 483 mm devices (19")

Art. No.: 30106028

GTIN: 4026397188783

The article is no longer in our assortment.

Description:

Plastic flight case for 19" devices

The stable and light ROADINGER hard shell flight case KR-19 is suitable for all 19" control and effect devices and is available in different height units. It is also scratch and impact resistant. The aluminium profile frame provides the necessary stability.

The flightcase is supplied with two mini butterfly locks, built-in rack rails, two slide rails and two aluminium carrying handles. In addition, you can remove the two tops of the flightcase (double door version).

The maximum load is 10 kg.
