**Description:**

Flightcase for 483 mm units (19")

Transport your 483 mm control and effect units (19") easily and safely with the ROADINGER effect rack CO DD. Two removable lids (double-door version), four large, steel-reinforced rubber feet and built-in rack rails make handling with the flightcase easy and comfortable.

Multi-layered glued wood, the stable aluminium profile frame with rounded corners and three-legged, medium-sized steel ball corners give the case stability.

The flight case is equipped with four snap locks with eyelets for locking, built-in rack rails and a case handle.

The maximum load is 20 kg.
