ROADINGER Special Combo Case Pro, 14U with wheels
Rack case with castors

The article is no longer in our assortment.

Description:

Just in case!
Broad, flexible and totally user friendly. This is not really the characterization of a new mobile phone. No, these are the attributes of our new special-combi-case in the updated professional version and with 14 units. With a wall thickness of 10mm, the case is extremely solid and safe. Due to four carrying handles, up to 100kg can be transported. A special feature is the service door, which is affixed in the back and which can be easily opened with two hinges, or, if necessary can be hung out. This is clearly of convenience if wires or connections need to be accessed. Of great benefit are - beside the handy wheels - the metals which are installed on the upper end. Those can be adjusted sideways and therefore the operation of mixers or similar profoundly alleviate.
