**Description:**

Flightcase Tour Pro

With the ROADINGER universal case, you can always transport your equipment and accessories safely and well stowed. The interior is lined with black foam, which protects your equipment from scratches and knocks.

The high-quality workmanship of the 7mm thick walls, the aluminium profile frame with rounded corners and the three-legged, medium-sized steel ball corners ensure stability.

The flight case Tour Pro has a robust carrying handle and also has two lockable snap locks.

**Features:**

- Interior upholstered with foam (black)
- High-quality workmanship with plywood multilayered glued, black laminated
- Aluminum profile frames (25 mm) with rounded edges
- Three-leg, medium-sized steel ball corners
- 2 high-quality spring locks (lockable)
- Rugged handle

**Technical specifications:**

Maximum load: 25 kg

Material: Glued plywood, 7 mm
