Description:

Flightcase Tour Pro

The ROADINGER Universal Case Tour Pro is a versatile and very stable tour case. The sides of the case are made of multilayered glued wood, the interior and the lid are lined with black foam upholstery.

The necessary stability is provided by the aluminum profile frame with rounded corners and the three-legged, medium-sized steel balls. You can lock the case with two lockable snap locks.

With the robust folding handle you always have your universal case safely under control. The maximum load is 25 kg.

Features:

- High-quality workmanship with plywood glued 7 mm, black, laminated
- Interior with felt cover
cover with felt cover
- Aluminum profile frames 25mm with rounded edges
- 1 rugged carrying handle
- 2 chrome tip-over locks
- 2 high-quality spring locks with shut-off function

Technical specifications:

Maximum load: 25 kg

Aluminum profile frames: 25 mm
