List price: 148.75 €

incl. 19% VAT.

Description:

Flightcase with accessory compartment

The ROADINGER universal case K-1 is ideally suited for the safe transport of your equipment. It is equipped with a foam padded interior with main and accessory compartments.

The foam inlay can be comfortably adapted to any equipment shape - so your gear is always well protected.

The walls of the case are made of multilayer glued wood with a wall thickness of 4 mm. The aluminium profile frame and the three-legged, medium-sized steel ball corners provide additional stability.

The flight case also has two locking hinges, two lockable snap locks and a robust carrying handle.

The maximum load is 25 kg.

Features:

- With pickfoam
- With accessory compartment
- High-quality workmanship with plywood multi-layer glued 4 mm, black, laminated
- Interior with foam padding
cover with foam padding
- Aluminum profile frames 22mm with rounded edges
- Rugged carrying handle
- 3 chrome tip-over locks
- 2 high-quality spring locks with shut-off function
