Description:

These 2 pole speakon cables from PSSO have been developed to serve the demanding and professional engineer. It was our goal, to produce a highly reliable cable which is rugged enough for the road and which overcomes a vast number of plugging procedures uncomplainingly - everything without being too expensive. In collaboration with Neutrik we have achieved this goal.

Neutrik supplies the very stable Speakon NL2FC cable plugs, the cables are made in Germany. Up to now we offer three cables with different lengths, 5 m, 10 m and 15 m.
