

EUROLITE SBM-63B Power Distributor  
63 A power distributor with multimeter

Art. No.: 30248411  
GTIN: 4026397698336

Features:

- 3-phase measuring of voltages from 100-380 V/AC
- Current and frequency display
- Rugged, stackable housing

Logistic

EAN / GTIN: 4026397698336  
Weight: 21,55 kg  
Length: 0.60 m  
Width: 0.51 m  
Height: 0.49 m

Technical specifications:

|                   |                                                                                                                                    |
|-------------------|------------------------------------------------------------------------------------------------------------------------------------|
| Power supply:     | 380-400V AC, 50Hz                                                                                                                  |
| Power connection: | Mains input via CEE 63A 5-pol (M) recessed mounting                                                                                |
| Power output:     | 8 x safety contact (F), hinged lid mounting version fused<br>4 x CEE 16A 5-pol (F) recessed mounting fused                         |
| Protection:       | 8 x circuit breaker C 16A 1-pol<br>4 x circuit breaker C 16A 3-pol<br>3 x fault-current circuit breaker (FI) Typ B 63A/0.03A 4-pol |
| Display:          | Volts , amps , frequency                                                                                                           |
| Dimensions:       | Width: 53.5 cm<br>Depth: 42 cm<br>Height: 40.5 cm                                                                                  |
| Weight:           | 18.90 kg                                                                                                                           |

## Scope of delivery:
