

SOMMER CABLE Instrument Cable 100m bk Tricone XXL

Instrument cable Tricone® XXL

Art. No.: 30300715

GTIN: 4049371050920

**List price: 236.81 €**

incl. 19% VAT.

Description:

You can configure the Tricone® XXL jack connector yourself on the Tricone® XXL cable without using a soldering gun. With the Tricone® XXL set you cannot only make your own guitar cables, instrument cables and patch cables very easily, but also repair them on site, if necessary - in record time. For detailed information see chapter Premade Cables or Connectors. The Tricone® XXL has a fat PE foam insulation which is firmly enclosed and held in place by a carbon screen. This will optimise the capacitance and ensure a loss-free treble reproduction even over longer distances. This design and the Cu mesh screen will perfectly protect against external interference. The special LONGLIFE COMPOUND jacket ensures a high tread resistance and tensile strength

Logistic

EAN / GTIN: 4049371050920

Weight: 4,45 kg

Length: 0.25 m

Width: 0.25 m

Height: 0.16 m

Features:

- Powerful, clear sound with the transmission of any instrument signals
- Dual shielding by Cu mesh screen and conductive carbon screen
- Very flexible and easy to wind due to the use of fine individual stranding
- Extremely durable and rugged due to LONGLIFE COMPOUND jacket
- High-quality instrument cable
- Unbalanced cable for keyboards, samplers, mixing desks etc.
- Perfect instrument cable / guitar cable
- Very flexible
- High tensile strength
- SOMMER CABLE
- Made in Germany

Technical specifications:

Cable construction:	1 x 0,5 mm ² instrument cable
Cable length:	100 m
Use of brands:	SOMMER CABLE
Color:	Black
Temperature range:	--25° C - +60° C
Dimensions:	Diameter: Ø 0,59 cm
Weight:	4,40 kg
