SOMMER CABLE 300-0051 Spirit

---

**Art. No.: 30300716**GTIN: 4049371002097

---

**The article is no longer in our assortment.**

---

**Description:**

The SC-Spirit has a thick insulation between wire and shielding. This improves the capacitive values and ensures a loss-free treble reproduction even with longer cables. To avoid crackling and hum interference we use a special conductive carbon screen and a copper mesh screen. When soldering make sure that the carbon shield and the inner conductor do not touch. Your audience will be surprised at the sound of this cable!

**Logistic**

EAN / GTIN: 4049371002097

Weight: 6,00 kg

Length: 0.23 m

Width: 0.23 m

Height: 0.16 m

---

**Features:**

- High-quality instrument cable
- With Neutrik plugs from Liechtenstein
- Sommer Cable SC-SPIRIT cable from German production
- Incredibly punchy and clear sound with bass, guitar and keyboard due to our special litz stranding and a wire cross-section of 0.50 mm<sup>2</sup>
- Dual shielding by a combination of a copper mesh screen plus conductive carbon screen
- Low-loss transmission due to low capacitance
- Very flexible and easy to reel because of its fine single litz design
- Extremely durable and sturdy due to a special high-quality PVC jacket compound
- Strain relief and good sleeve support due to thick PVC jacket
- High-quality guitar cable for studio and stage
- Unbalanced cable for keyboards, samplers, mixing desks etc.
- Connection lead for CD/DVD player/recorder
- Made in Europe

**Technical specifications:**

Cable construction:	1 x 0,5 mm² instrument cable
Cable length:	100 m
Color:	Black
Weight:	5,95 kg
