## Combi Cable 1x2x0.25+3G1.5 SC-Monolith Power DMX 100m

High quality combi cable

**Art. No.: 30306324**

GTIN: 4049371002554

### Features:

---

- Parallel control for lighting boards through one cable via power line and DMX signal
- Very flexible and enormously tread-resistant due to the round jacket made of cotton and viscose
- Very good pairwise shielding of the DMX lines due to tinned helical copper mesh screen or copper braiding
- Control line for DMX lighting consoles (wave impedance of 110 ohms)
- Analogue + digital audio multipair with power supply
- Made in Germany
