

SOMMER CABLE Microphone Cable 2x0.50 100m bk SC-Primus

Microphone cable SC-Primus

Art. No.: 3030744C

GTIN: 4049371001960

**List price: 267.75 €**

incl. 19% VAT.

Description:

A cross section of 2 x 0,50 mm² makes this cable ideal for theatres, public buildings etc. Because of its 100 % shielding and its thick outer jacket the SC-Primus is also recommended for installation in discos and night clubs, because neither the aggressive nicotine nor high temperature fluctuations can hardly affect this cable. Performing artists swear by this cable, rental agencies prefer the SC-Primus because of its sturdiness and intrinsic torsion, making manual wind-up a cakewalk.

Logistic

EAN / GTIN: 4049371001960

Weight: 5,75 kg

Length: 0.23 m

Width: 0.23 m

Height: 0.15 m

Features:

- Optimum transmission quality even with excess lengths due to the large wire gauge of 2 x 0.5 mm²
