

EUROLITE Outdoor spot, 192 LEDs blue

LED outdoor spot with brilliant illuminating power!

Art. No.: 40000472

GTIN: 4026397282016

The article is no longer in our assortment.

Description:

Different from the rest!

There is always the common run of mankind and some, who are not common and stand out, due to their looks or their abilities. Just like this statement can be adapted to people, it can also be transferred to many other fields, such as the one of outdoor spots. Here you have a long line of spots, that are very similar and can be interchanged. And then there is our spot with its 192 LEDs, that steps out of the line. Because due to its brilliant illuminating power, it is really outstanding. Besides, the spot is available in different versions. 4 with solid color, 2 white color-temperature versions, as well as with fading or switching colors. More than just the same!

Features:

- Ideal LED luminary for outdoor use
- Locking possibility at the mounting bracket
- Perfect in public places, main halls, stages, lounges
- Equipped with 192 LEDs
- Advantages of LED technology: long life of the LEDs, low power consumption, minimal heat emission, defacto maintenance free with brilliant light radiation
- Power cord with open cable ends included in the delivery
- Available in 4 solid-color, and 2 color-temperature (white) versions, as well as with Fading Colors or Switching Colors
