Description:

A fast friend!
Curtains that rise and fall and actors, who obligatory spit over their colleagues' shoulder to wish good luck. Traditions like these all belong to the world of theatre. But there are a lot of other denizens that have set their place in this world, just like our silver-gray theatre spot. Due to its powerful light, the actors are put in perspective and thus the play is supported and enriched with brightness. Our spot was built to be used for punctual illumination and can strike with its unbeatable reliability. Sometimes there is no need of additional effects but of a solid and interference-free companion.

Features:

- Professional theater spot with frame for color filter and protective mesh
- High light output
- Focusable from 10° to 40°
- Antihalo lens for punctual illumination (light inside the beam is brighter than outside)
