LED KLS Scan Next FX Compact Light Set

Compact bar with derby, spots, scanners, UV effect, QuickDMX port and bag

Art. No.: 42109897

GTIN: 4026397690064

Features:

- DMX light effect bar with 1 rotating LED derby, 4 LED spots, 2 scanners and UV LEDs
- Ultra-light, ideally suited for mobile use
- Crossbar with integrated DMX control unit and TV spigot for tripod installation
- Comes pre-assembled with practical transport bag
- Several diverse DMX modes for various consoles and requirements
- LED derby and LED spots individually tiltable and controllable
- Mirror movement can be inverted separately for both scanners (e.g. for common, counter-rotating control)
- Brand-new software design with smart programs
- When fog is used, this effect becomes especially attractive
- Mains input and output for power linking up to 8 units
- 20 integrated Showprograms
- Can be operated in 3; 7; 13; 14; 15; 18; 19; 30; 32; 39 CH mode
- The device is cooled by cooling fan
