List price: 112.93 €

incl. 19% VAT.

Description:

Amazing party set with LED spot and mirror ball!

This Eurolite set in professional quality offers you the ultimate disco feel in a surprisingly easy-to-use set at an unbeatable price. No matter if you use it to illuminate your living room, a clubhouse or a bar, this party set always guarantees the true disco look while working fully automatically.

The set includes a mirror ball with a diameter of 30 cm covered with countless little mirrors. Thanks to the supplied motor, type MD-1015, the ball slowly rotates on its own axis while reflecting colorful light beams emitted by an Eurolite PST-3W pinspot which, of course, is also included in this set.

The energy-saving LED technology spares you not only the tiresome lamp replacement but also the high costs for a permanent operation you'd have to expect when using a traditional pinspot. This makes the PST-3W set well-suited for permanent use all year long.

Features:

- 2 x mirror ball chain 33 cm
- For application areas such as: Party room; clubs/dancing school; installation; restaurants, bars and hotels
- Very quiet working noise
- Application possibility: Suspended
- **spotlight**
- 1 powerful LED 3 W high-power cold white (CW)
- The device is cooled by passive convection cooling
- Control via plug and play
