

## EUROLITE LED Neon Flex 230V EC RGB 100cm

LED Neon Flex in RGB version

Art. No.: 50499700

GTIN: 4026397402391

### Features:

- Inexpensive economy version of the successful LED Neon Flex
- Lights just like conventional neon light and offers attractive advantages: easy installation, low power consumption, low maintenance costs, no fragile glass nature, and without potential shock hazard
- Built with optimally protected RGB LEDs in a full-plastic round tube
- Long life
- It is extremely flexible and can be bent in any radius as small as 4 cm
- No transformers required
- One roll contains 50 cuttable pieces with 100 cm each
- Cut it on the cutting mark, connect the Controller Pro, fix the endpieces and your new neon light effect is ready to use
- After connection to the Controller Pro, a variegated play of colors via the internal programs is possible
- Controller Pro must be ordered separately
- Not compatible with standard version
- 30 LEDs 3in1 TCL RGB
- Control via stand-alone
- Suitable for outdoor use IP44
- For application areas such as: Clubs/dancing school; Trade fair and shop fitting; installation; restaurants, bars and hotels
- Silent operation
- Application possibility: Wall mounting
