The article is no longer in our assortment.

Description:

Flexible tube for decorative lighting

The extremely flexible rope light EUROLITE RUBBERLIGHT RL1 is very well suited to realize your ideas for the design of lettering, shapes and shop window decorations. The Rubberlight also comes into its own in party rooms.

Use the rope light indoors and outdoors. Due to the all-plastic round material, the lamps have a long life.

The Rubberlights are available in many different colours and lengths.

Features:

- Built of optimally protected LEDs in an extremely flexible full-plastic round tube
- Splash-proof tube (IP44), qualified for outdoor use
- Realize your ideas for writing, forms, display window decorations, party rooms, etc.
- Multicolor version with green, red, blue and yellow-orange LEDs
- LEDs with rich color intensity, long life, low energy use, and very little heat production
- Available in different colors and lengths
- practical cutting marks on the tube
- Can be custom cut via cutting marks
- Controllable via every chaser controller
- Length: 9 m
- Accessories included in the delivery: 10 mounting clips, 10 tie straps
- Suitable for outdoor use IP44
