

EUROLITE TP-330 LED Controller

Mountable wall controller with touch pad for RGB LED strips 12-24V

Art. No.: 50533600

GTIN: 4026397499131

The article is no longer in our assortment.

Features:

- Top-notch wall controller with touch-sensitive glass surface (touch pad) for LEDs, in particular RGB LED strips 12-24 V
- Elegant look thanks to glass cover
- For controlling red, green and blue LEDs
- 3 separate control channels, thus individual color mixing possible (with RGB LEDs only)
- 1 backlit push-button for switching the connected LEDs on and off
- Color selection via touch-sensitive color wheel
- 2 backlit push-buttons for brightness adjustment
- Preset constant colors and built-in programs for color change or color fade
- Adjustable program speed and brightness
- Screw terminals for connecting the LEDs and the power supply (12-24 V)
- Black plastic housing
- Surface mounting with optional housing (50533401)
