eurolite®

Raylight PAR-64,GY-9.5 Socket long

The alternative to traditional lamps

Art. No.: 51000750

GTIN: 4026397175035

Features:

- Immediately and without changing the wiring, exchangeable by flanged on pin socket (GX 16) against a PAR-64 lamp
- For all GY-9.5 lamps, thus, many different light performances are selectable
- Cost savings, as only the burner must be replaced at a lamp change
- Longlife lamp types (up to 2.000 h) also save time and money
- Low weight
