

EUROLITE LED FL-1500 Flamelight

Flame effect with LED illumination (flame height 150 cm)

Art. No.: 51114410

GTIN: 4026397407624

The article is no longer in our assortment.

Description:

Flame effect with LED illumination (flame height 150 cm)

The EUROLITE LED FL-1500 Flamelight is an attractive flame effect with red glowing LEDs. The decorative effect simulates a blazing flame and is suitable for your exposition, your garden party or also for the use on stage.

The FL-1500 Flamelight has two blowers and is equipped with a cold power cable ready for connection. It is controlled directly on the unit via an on/off switch.

The red flame attachment with a height of 150 cm is included in the package.
