

# HAZEBASE THE FAB Tour Smoke Machine

Hazer in 2U tour case

Art. No.: 51700162

GTIN: 4026397707328

**List price: 2854.81 €**

incl. 19% VAT.

## Features:

- Very short warm-up time
- Control via sACN; ArtNet; stand-alone; network cable; DMX; RDM; Wireless remote control; wired remote control
- TFT display
- Made in Germany
- For application areas such as: Mobile use; Stage; theater; Rental
- Application possibility: Standing

### Package contents

- 1 x device, 1 x user manual, 1 x power cord, 1 x container, 1 x lid, 1 x fluid

## Logistic

EAN / GTIN: 4026397707328

Weight: 19,40 kg

Length: 0.63 m

Width: 0.58 m

Height: 0.17 m

## Technical specifications:

|                    |                                        |
|--------------------|----------------------------------------|
| Power supply:      | 230 V AC, 50 Hz                        |
| Power consumption: | 500 W                                  |
| Protection class:  | Protection class I                     |
| Power connection:  | Via PowerCON TRUE (M) mounting version |
| Warm-up time:      | 8 sec                                  |
| Tank capacity:     | 1 l                                    |
| Fluid consumption: | Approx. 1 ml/min - 5 ml/min            |
| DMX channels:      | 3                                      |
| DMX input:         | 1 x 5-pin XLR (M) mounting version     |

|                       |                                                                                                         |
|-----------------------|---------------------------------------------------------------------------------------------------------|
| Control:              | SACN; ArtNet; stand-alone; network cable; DMX;<br>RDM; Wireless remote control; wired remote<br>control |
| Operating principle:  | Haze production without compressor                                                                      |
| Display type:         | TFT display                                                                                             |
| Color:                | Black                                                                                                   |
| Weight:               | 18,10 kg                                                                                                |
| Noise classification: | Class 2 (slight noise)                                                                                  |
