WIFI-800E app controlled

Portable fog machine with Wi-Fi network for iPhones and Android

Art. No.: 51702609

GTIN: 4719850651510

Features:

- Portable 800 W fogger with Wi-Fi network
- Intelligent wireless control system for iPhones and Android eliminates irksome cables
- Free Fog 800 App available on the App store and Google Play
- The App gives you on/off and timer control
- Connection between your iPhone and the WIFI-800 is easily made with the unique Wi-Fi code that is supplied with the fogger
- Manual activation via button on the handle
- Super fast heat-up time of less than 100 seconds
- Always ready to emit fog due to ECO temperature control
- Rugged metal housing with carrying handle
- Fixed tank
- Optoelectronic low fluid detector
- Efficient heat exchanger provides for 20 % more fog than comparable fog machines and ensures low fluid consumption
- Large operating range from -20° to +60° C
