LED logo projector with 30 W LED, strobe, dimmer and gobo rotation, incl. IR remote control

Art. No.: 51799329

GTIN: 4026397670394

**List price: 415.31 €**

incl. 19% VAT.

### Description:

LED logo projector with 30 W LED incl. IR remote control

Use the EUROLITE LED LP-30 to advertise your booth with your company logo projected on the ceiling or throw a Christmas motif directly from your shop window onto the street to attract the full attention of passers-by.

The LP-30 logo projector is completely silent as it is equipped with convection cooling. The sharp and flicker-free projection is made possible by the powerful, cool white 30-watt COB LED.

Different gobos can be easily changed and inserted. Switch conveniently between static or rotating gobos and control the rotation speed and direction according to your needs. A gobo with "bubbles" motif is included in the delivery.

The logo projector also features a dimmer, pre-programmed macros and a variable speed strobe effect with a random generator.

You can control the projector either via DMX, master/slave or with the included infrared remote control. The logo projector is also compatible with QuickDMX - the wireless DMX system from Eurolite. The P-Con mains connection allows you to operate up to eight devices in series.

You can address and set the LP-30 via the control board with LCD display.

### Features:

- Delivery includes a gobo, motive "bubbles"
- Static or gobo rotation selectable, rotation speed and direction can be adjusted
- Clear projection
- Easy insertion and changing of the gobo

### Logistic

EAN / GTIN: 4026397670394

Weight: 3,75 kg

Length: 0.31 m

Width: 0.21 m

Height: 0.31 m

- Dimmer, preprogrammed macros, strobe effect with variable speed and random strobe effect
  - Mains input and output for power linking up to 8 units
  - 1 powerful LED 30 W COB (chip-on-board) cold white (CW)
  - Can be operated in 2; 3; 4 CH mode
  - The device is cooled by passive convection
  - Controlling by DMX; IR remote control; stand-alone; QuickDMX via USB (optional); W-DMX by wireless solution via USB (optional); CRMX by LumenRadio via USB (optional)
  - Preprogrammed in Light Captain
  - Flicker-free
  - Effect: Gobo effect
  - With a beam angle of 11 - 16°
  - With Mounting bracket
  - With double bracket
  - For application areas such as: Small lender; Wedding/gala/events
- Package contents**
- 1 x Device, 2 x Mounting bracket, 1 x Power cord, 1 x Remote control, 1 x Battery, 1 x Gobos, 1 x User manual

## Technical specifications:

Power supply:	100-240 V AC, 50/60 Hz
Power consumption:	35 W
IP classification:	IP20
Power connection:	Mains input via P-Con (blue), mounting version power supply cord with safety plug included
Lamp type:	LED lamp
LED:	1 x 30 W COB (chip-on-board) cold white (CW)
Equipment:	Gobo wheel with rotating gobos; Focus manual; Zoom manual
Gobos:	Outside diameter 27mm Image diameter 18mm
DMX channels:	2; 3; 4
DMX input:	3-pin XLR (M) mounting version
DMX output:	3-pin XLR (F) mounting version
Cooling:	Passive convection
Control:	DMX; IR remote control; stand-alone; QuickDMX via USB (optional); W-DMX by wireless solution via USB (optional); CRMX by LumenRadio via USB (optional); Light Captain
Beam angle:	11 - 16°
Beam angle (1/2 peak):	11 - 16°
Beam angle (1/10 peak):	11 - 16°
Housing color:	Black
Attachment system:	2x Mounting bracket Double bracket
Material:	Aluminum
Dimensions:	Length: 25,2 cm Width: 12 cm Height: 24,8 cm
Weight:	3,34 kg
Noise classification:	Class 0 (no noise at all)
Power cord	

Cable construction:	3 x 1,0 mm <sup>2</sup> H05VV-F
Cable length:	Approx. 1,2 m
Mounting bracket	
Diameter mounting holes:	2 x 10 mm
Material:	Metal, 2,5 mm
Remote control	
Battery:	1 x Button cell 3.0 V CR2032 lithium manganese built-in
Legal specifications	
Special product:	Not designed for household room illumination
Intended use:	Show effect lighting
