Three favorites in mini-format as set

Art. No.: 51812245

GTIN: 4026397382716

The article is no longer in our assortment.

Features:

- Mirror ball/motor-combination; 7 cm mirror ball on a mirror ball motor
- The ball housing of the disco light rotates around its own axis in bright, intensive colors
- Police light in blue as nice basic effect with compact housing
- For standing installation; base out of black plastic
- Low power consumption
- 60 rotations per minute per item
- Each one with power switch
- 1 x 4.5V/0.3A mini illuminant already installed
- Each run via 3 x 1.5V AA-batteries (not included in delivery)
- Countless application possibilities in party-rooms etc.
- ATTENTION: The operation of warning beacons in Germany is permitted only in non-public areas.
- Use in public traffic (streets, roads, and plazas) is prohibited!
- This prohibition applies also to areas immediately adjoining public traffic, since an endangering of the traffic flow cannot be excluded!
- Please inform yourself about your local regulations before using warning beacons!
