### Description:

On the road again!

That you can purchase with a FUTURELIGHT-Scanner a device which is equipped with different filters, diverse gobo wheels, a strobe or a rainbow effect, actually goes without saying. However there are various gadgets, which should live up to the different expectations. Our DJ-Scan 300 serves a very specific crowd. With its solid metal casing and its quite compact form it is just perfect for road action and therefore the interest is directed toward those who are looking for an efficient and reliable partner on the move. Hereby one did not skimp on features and the DJ-Scan 300 has a lot more to offer compared to similar effects which weren't born for the road.
