

EUROLITE USB-DMX512 interface

USB DMX interface

Art. No.: 51860119

GTIN:

The article is no longer in our assortment.

Description:

The EUROLITE USB-DMX512 interface combines very small dimensions with many functions due to the internal RISC-controller. This controller creates all DMX signals so that the PC and the USB port is not too busy enabling the parallel use of several DMX universes.

Logistic
