

EUROLITE LED PAR-56 RGB 10mm Floor black

PRO floor spot as LED RGB DMX model

Art. No.: 51913900

GTIN: 4026397243901

The article is no longer in our assortment.

Description:

Down-to-earth!

Two are not only better than one, sometimes they allow certain usages first. This is also true for our PAR-56 RGB floor spot. Thanks to its double mounting bracket, it can be installed on the floor without any problems. A fact, that makes it easy to understand, why this unit is an appropriate companion for receptions or at public places. Whether it comes to imposing light pillars on façades or decent basic illumination for inside, this spot, which is available in black and alu, does not hit a snag. Looking at the cheap price you will realize, that we are down to earth with this floor spot.

Features:

- DMX512 control via regular DMX controller (occupies 5 channels)
- Sound-control via built-in microphone
- Color-change speed and strobe effect adjustable via DIP switches
- Locking possibility at the mounting bracket
- For illuminating e.g. mirror balls, entrance or counter areas or as basic illumination
- Perfect in public places, main halls, stages, lounges
- Multi-color color-changes
- Master/Slave function
- Illuminants: 108 x 10 mm LEDs
- Advantages of LED technology: long life of the LEDs, low power consumption, minimal heat emission, defacto maintenance free with brilliant light radiation
- Available in alu or in black
