Description:

This LED pin spot by Eurolite brings sharp RGB beams in every window display, party room or trade fair! Light up the room in any color you like to impress your audience.

The PST-9W is operated via the supplied remote control which is not bigger than a credit card and fits in even the smallest pocket. You wish to illuminate a larger area? No problem! Simply use common 3.5 mm jacks to link multiple pin spots to create impressive light effects.

For a permanent installation you can simply use the pre-punched holes on the fixture. As the pin spot is delivered ready to use, all you have to do is install it and switch it on - plug and power cord are included. Once you plugged in the PST-9W, you can use preset programs like slowly fading colors, rapid color changes or constant light in a single color. Brightness can be manually adjusted as well. It's entirely up to you to make the most of your event!
