**Art. No.: 51918545**
GTIN: 4026397662368

## List price: 236.81 €
incl. 19% VAT.

### Description:

The LED WF-30 Water Effect by Eurolite turns every room into a swimming pool. The built-in COB LED projects colorful effects in red, green and blue white onto the walls pulsating in the rhythm of water. With this lighting effect you easily create a relaxed ambience in bars, clubs, lounges and on stage.
The WF-30 operates almost silently so that you can completely lose yourself in the atmospheric lights of the ocean. You can choose between the DMX operating mode and the stand-alone mode. What is more, the Water Effect is equipped with a microphone for adjusting the light show to the rhythm of the music, which makes this LED light effect perfectly suitable for parties. You can dim the light, adjust the colors according to your requirements or let the preset programs choose the colors. You can also add a thrilling strobe effect with the speed either regulated by you or by chance.
Of course, the WF-30 is delivered ready to use and with bracket - plug and play! It's entirely up to you whether you want to use the WF-30 to relax or to throw a party!
For even more convenient control, an IR-7 remote control is included.
What is more, the LED WF-30 is compatible with QuickDMX, the wireless DMX system by Eurolite. A phantom-powered USB port for a wireless transmission of the DMX signal through a QuickDMX receiver can be found on the rear of the device.

### Logistic

EAN / GTIN: 4026397662368
Weight: 3,02 kg
Length: 0.30 m
Width: 0.28 m
Heigth: 0.14 m

### Features:

- Static and moving water effects with a 3D look in vibrant colors
- 1 powerful LED 40 W COB (chip-on-board) 3in1 TCL RGB (homogenous color mix)
- Focus manual
- Color change adjustable; Dimmer electronic; color blend stepless; Rotation speed adjustable
- Strobe effect
- 11 integrated show programs
- Direct color selection for 18 preset colors

- The device is cooled by cooling fan
- Control via DMX; IR remote control; master/slave function; sound to light via microphone; stand-alone; QuickDMX via USB (optional); W-DMX by wireless solution via USB (optional); CRMX by LumenRadio via USB (optional)
- Preprogrammed in EASY SHOW 1; LED PC-Control 512; Light Captain; Light´J; Colorchief
- Flicker-free
- With a beam angle of 30°
- With mounting bracket
- 4 digit 7-segment LED display
- For application areas such as: Clubs/dancing school; wedding/gala/events; party room; mobile djs / entertainer
- Application possibility: Suspended; on stand
  **Package contents**
- 1 x light effect, 1 x user manual, 1 x power cord, 1 x remote control, 1 x battery
