

EUROLITE LED MF-3 Flower effect

Compact RGB flower effect with LED technology!

Art. No.: 51918580

GTIN: 4026397305982

The article is no longer in our assortment.

Description:

Flower Power!

They are not ten a penny, but they exist in an immensely huge number and in quite a few versions. We are talking about the popular flower effects, that definitely rate among lighting classics and are a must for nearly every successful event. And such an exemplar is what we would like to introduce to you now. Due to its size it may look a bit modest, but never dare to underestimate it. Because with the diversified light of its 60 LEDs, it creates great atmospheres - whether in clubs or on stages. By the way, our device, thanks to its enormous light power, can cope with every 50 Watt halogen flower. As we said before, do not dare to underestimate this flower!

Features:

- Sound control, auto mode and strobe effect adjustable via 3-step mode selector
- Master/Slave function
- Rugged compact housing in a handsome design
- Ready for connection with power cord and safety plug
- Ideal for bands, stages, discos or solo entertainers
- Mounting bracket for installation on a truss system included
- Advantages of LED technology: long life of the LEDs, low power consumption, minimal heat emission, defacto maintenance free with brilliant light radiation

Technical specifications:
