Description:

The LED Mini FE-3 Flower by Eurolite is an LED flower effect that turns every location into a small disco. The device is equipped with six glass lenses for room-filling effects and six powerful 3-watt LEDs that generate colorful flower effects in red, green, blue, amber, white and pink.

The effect light runs fully automatically in sound-controlled or automatic mode and can also be operated by inexperienced users. The sensitivity of the integrated microphone (sound-controlled mode) and the speed of the color changes (automatic mode) can be adjusted with the rotary controls.

Since the LED Mini FE-3 is a particularly light and small fixture, you can easily take it with you and use the mounting bracket to install it almost everywhere you like. Of course, the power cord and plug are included so you get everything you need for your color explosion in one compact set!
