

EUROLITE LED B-40 HCL Beam Effect

LED beam effect with RGBAW+UV color mixing

Art. No.: 51918951

GTIN: 4026397617702

The article is no longer in our assortment.

Description:

Romantic light show in beautiful RGBAW colors plus UV light - this LED disco ball makes it possible!

The LED B-40 HCL by Eurolite is a fascinating mirror ball simulator fitted with five powerful 12-watt hex-color LEDs projecting colorful beams and a precision motor that creates a romantic atmosphere at slow rotation speed. Thanks to 6-color mixing particularly beautiful colors are possible: In addition to red, green and blue, white and amber provide great pastel and yellow tones. Adding UV to the mix makes for unique color moods.

Various control options

The LED B-40 HCL offers a direct selection for 25 preset colors and comes with 4 show programs selectable in automatic or sound-controlled mode. It can be operated in master, slave and stand-alone modes or via DMX. A clear display even allows you to easily set a color and rotation speed without any controller.

Everywhere in use

Of course, the LED B-40 HCL is delivered ready to use with plug and power cord together with a bracket for truss mounting. Placing the disco ball on a stand as a centerpiece also yields great effects. Thanks to its modern technology and straightforward handling the LED B-40 HCL is an ideal choice for clubs, bars, discos and mobile applications of any kind.

Logistic

EAN / GTIN: 4026397617702

Weight: 5,10 kg

Length: 0.35 m

Width: 0.35 m

Height: 0.44 m

Features:

- Precision lenses fill the room with countless rotating beams
- 5 powerful LEDs 12 W high-power 6in1 HCL RGBWA/UV
- Color blend stepless; color change adjustable; color fade adjustable; Dimmer electronic; Rotation speed stepless
- Multi beam effect; Strobe effect; UV effect
- 4 integrated show programs
- Direct color selection for 25 preset colors
- The device is cooled by low-noise cooling fan
- Control via DMX; Sound to light via Microphone; Master/slave function; stand-alone
- With Mounting bracket
- 4 digit 7-segment LED display
- Preprogrammed in Light´J; LED PC-Control 512; EASY SHOW 1; Light Captain; EASY SHOW 2; EASY SHOW 3
- Very quiet working noise
- Mains input and output for power linking up to 8 units

Package contents

- 1 x light effect, 1 x user manual, 1 x power cord, 1 x omega bracket, 2 x screw, 2 x washer

Technical specifications:

Power supply:	100-240 V AC, 50/60 Hz
Power consumption:	50 W
IP classification:	IP20
Protection class:	Protection class I
Power connection:	Mains input via IEC connector (M) mounting version power supply cord with safety plug (provided)
Power output:	IEC connector (F) mounting version
Lamp type:	LED lamp
LED:	5 x 12 W high-power 6in1 HCL RGBWA/UV
Flash rate:	0 - 20 Hz
DMX channels:	5; 11
DMX input:	3-pin XLR (M) mounting version
DMX output:	3-pin XLR (F) mounting version
Cooling:	Low-noise cooling fan
Control:	DMX; Sound to light via Microphone; Master/slave function; stand-alone
Preprogrammed in:	Light´J; LED PC-Control 512; EASY SHOW 1; Light Captain; EASY SHOW 2; EASY SHOW 3
Housing color:	Black
Attachment system:	Mounting bracket
Display type:	4 digit 7-segment LED display
Dimensions:	Width: 32 cm Depth: 32 cm Height: 38 cm
Weight:	4,15 kg
Noise classification:	Class 1 (very slight noise, suitable for noise-sensitive environments)
Legal specifications	
Special product:	Not designed for household room illumination

Intended use:

Show effect lighting
