

## EUROLITE LED B-40 HCL Beam Effect MK2 wh

LED beam effect with RGBWA+UV color mixing, incl. remote-control

Art. No.: 51918953

GTIN: 4026397713190

### Features:

- 5 LEDs 10 W 6in1 HCL RGBWA/UV<BR> segments controlled separately
- Color blend stepless; Dimmer electronic; Rotation speed stepless
- Multi beam effect; strobe effect
- 8 integrated show programs
- The device is cooled by passive convection cooling
- Control via IR remote control; stand-alone; sound to light via microphone; DMX; QuickDMX via USB (optional); W-DMX by wireless solution via USB (optional); CRMX by LumenRadio via USB (optional); master/slave function
- Fixtures available for Light´J; Light Captain; EASY SHOW 2; EASY SHOW 3; Colorchief
- With omega bracket
- Monochrome 4 digit 7-segment LED display
- For application areas such as: Clubs/dancing school; wedding/gala/events; mobile djs / entertainer; restaurants, bars and hotels; advertisement/Shop window
- Application possibility: Standing; suspended

### Logistic

EAN / GTIN: 4026397713190

Weight: 6,05 kg

Length: 0.41 m

Width: 0.40 m

Height: 0.52 m

### Technical specifications:

|                    |                        |
|--------------------|------------------------|
| Power supply:      | 100-240 V AC, 50/60 Hz |
| Power consumption: | 56 W                   |
| IP classification: | IP20                   |
| Protection class:  | Protection class I     |

|                         |                                                                                                                                                                                                              |
|-------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Power connection:       | Mains input via IEC connector (M) mounting version power supply cord with safety plug (provided)                                                                                                             |
| Power output:           | IEC connector (F) mounting version                                                                                                                                                                           |
| Fuse:                   | T 1.6 A fuse replaceable                                                                                                                                                                                     |
| Lamp type:              | LED lamp                                                                                                                                                                                                     |
| LED type:               | 5 x 10 W 6in1 HCL RGBWA/UV                                                                                                                                                                                   |
| Flash rate:             | 0.6 - 12 Hz                                                                                                                                                                                                  |
| DMX channels:           | 3; 12; 23                                                                                                                                                                                                    |
| DMX input:              | 1 x 3-pin XLR (M) mounting version                                                                                                                                                                           |
| DMX output:             | 1 x 3-pin XLR (F) mounting version                                                                                                                                                                           |
| Cooling:                | Passive convection cooling                                                                                                                                                                                   |
| Control:                | IR remote control; stand-alone; sound to light via microphone; DMX; QuickDMX via USB (optional); W-DMX by wireless solution via USB (optional); CRMX by LumenRadio via USB (optional); master/slave function |
| Fixtures available for: | Light´J; Light Captain; EASY SHOW 2; EASY SHOW 3; Colorchief                                                                                                                                                 |

| Attachment system:      | Omega bracket                                                                                                                                                                                                |
| Display type:           | Monochrome 4 digit 7-segment LED display                                                                                                                                                                     |
| Dimensions:             | Length: 32.00 cm<br>Width: 32.00 cm<br>Height: 39.00 cm                                                                                                                                                      |
| Weight:                 | 4.22 kg                                                                                                                                                                                                      |
| Noise classification:   | Class 2 (slight noise)                                                                                                                                                                                       |
| Battery:                | 1 x button cell 3.0 V CR2025 lithium manganese built-in                                                                                                                                                      |
| Special product:        | Not designed for household room illumination                                                                                                                                                                 |
| Intended use:           | Show effect lighting                                                                                                                                                                                         |

## Scope of delivery:

1 x light effect  
 1 x user manual  
 1 x power cord  
 1 x omega bracket  
 4 x screw  
 4 x washer  
 1 x remote control  
 1 x battery
