

EUROPALMS Holland ivy bush tendril premium, artificial, 170cm

Holland ivy tendril made of high quality PEVA

Art. No.: 82502512

GTIN: 4026397636833

The article is no longer in our assortment.

Description:

The artificial ivy bush barrier of Europalms is perfectly suitable for greening boxes on balconies, terraces and conservatories. Even in larger arrangements it provides fresh greenery as a filling material. The individual loosely falling tendrils have different lengths and can be easily bent into shape. The dense green-white foliage is made of PEVA: This soft and elastic plastic is highly resistant to aging and is waterproof. A practical insertable stick enables quick decoration - even outdoors.

Logistic

EAN / GTIN: 4026397636833
Weight: 0,30 kg
