The article is no longer in our assortment.

Description:

With the expand tripod sails you can elegantly hide your tripods and at the same time turn them into decorative objects.

Multiple washings possible: A guest poured his beer over one of your sails? Just put the tripod sail into the washing machine, over and over again

According to DIN4102 B1 permanently flame-retardant tripod cover: even after many washes the tripod sails retain the B1 classification

Perfect color design with LED lighting: match the appearance of your tripod sails to the decoration of the current location

Extremely stretchable fabric: due to its high elasticity suitable for any tripod (width from 1.00 m - 1.40 m; height from 1.10 m - 2.20 m)

Guaranteed wrinkle-free: you can twist it this way and that, any way you like, once stretched, all creases disappear as if by magic

Tripod sails made in Germany!

Delivery in robust transport bag

Material composition: (black/white) 85% polyester; 15% spandex

Features:

- Best suited for reproducing light projections
- Extremely stretchable cloth
- Made in Germany
- For application areas such as: Carnival; Trade fair and shop fitting; wedding/gala/events
