

Features:

- Easy installation

Technical specifications:

|                             |                          |
|-----------------------------|--------------------------|
| Operating voltage:          | 230                      |
| Nominal wattage:            | 15 W                     |
| Base:                       | E27                      |
| Lamp type:                  | LED lamp; reflector lamp |
| Beam angle:                 | 50°                      |
| Setup:                      | Easy installation        |
| Color of light:             | Blue                     |
| Lead time:                  | 0.2 s                    |
| Construction:               | PAR-38                   |
| Operating temperature max.: | 40° C                    |
| Operating temperature min.: | 20° C                    |
| Burning position:           | S180 (universal)         |
| Lamp life:                  | 25000 h                  |
| Wavelength:                 | 452 nm                   |
